IP68 Underwater LED Light

Know more

BOUT Enrich.....

COMPANY

Shenzhen Enrich Lighting Co., Ltd. is the company of supplier and manufacturer of LED lights in China. And we are currently the leading suppliers for LED underwater lights in China. We offer a big range of LED underwater lighting products for swimming pool, fountain and other underwater places' decoration. We specialize in LED underwater lights, such as, LED PAR56 Pool Light, Embedded type and Wall Mounted type LED Swimming Pool Light, LED Fountain Light etc..

Each LED product is manufactured using latest technology that meets the ends need. Compared to other LED light manufacturers, we have sourced materials from trustworthy vendors and products using advanced technology and technique.

The company is doing its best by rapidly ascending to become leader in supplying and manufacturing of LED underwater lighting products across China.

QUALITY

All Enrich Lighting products are designed and produced in accordance with domestic and global rules on healthy and environmental protection. Only the best raw materials are used in our production and every product is fully tested before delivery.

MISSION

Through our production attitude, our technical skill and our knowledge in all underwater LED lighting sectors, we want to put ourselves to our customers as a partner offering high quality, strong innovation, right price and dedicated service.

VISION

We work with the vision of illuminating China and the world through energy efficient and cost effective LED lights.

Embedded Type LED Pool Light

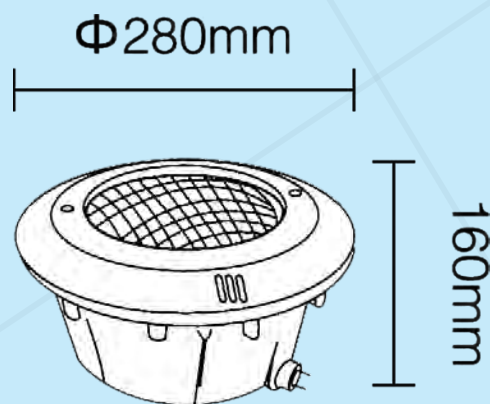

Pool Niche
Niche For Concrete Pools

Feature:

Stainless Steel Face Ring Niche

Parameter

1. Material: Stainless Steel Face Ring + Plastic Body
2. Niche Size: D280*H160mm
3. Gross Weight: 13.5KG/CTN
4. Packing: 4PCS/CTNS
5. Carton Size: 73*32*33cm
6. Standard Wire Length: 2 Meters

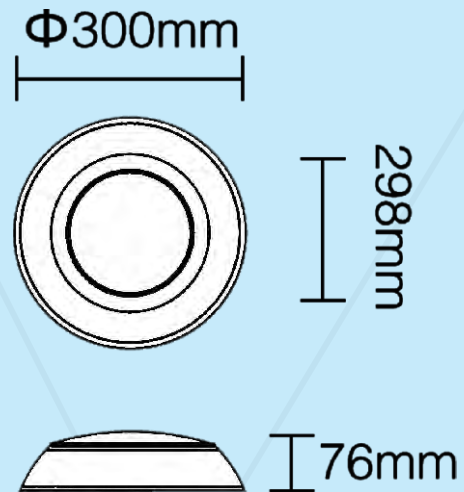

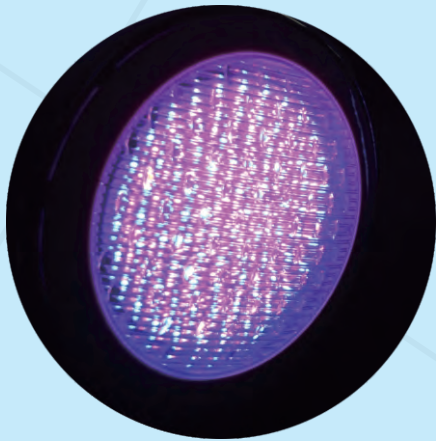

Specification
